CHAPTER IV
MEGHALAYA INFRASTRUCTURE DEVELOPMENT FUND

**Meghalaya
Infrastructure
Development
Fund.**

20. (1) The State Government shall constitute a fund to be known as the Meghalaya Infrastructure Development Fund which shall vest in the Board.

(2) The Fund shall consist of:

- (a) contribution from the State Government or the Central Government;
- (b) amount charged by the Board under Section 25;
- (c) amounts borrowed or mobilised by the Board from capital or debt markets by any instrument whatsoever from both domestic and international entities including financial institutions, banks, multilateral lending agencies and international and domestic grant providers, for Infrastructure Projects;
- (d) all money received for Bankable Projects;
- (e) any other income accruing to the Fund/Board, including by way of investments;
- (f) money accruing to the Fund/Board through sale, lease or rent of any assets of the Board;

(3) In case amounts allocated for the Fund remain un-committed at the end of any Financial Year for any reason whatsoever, then such amounts shall continue to vest with the Fund and shall be available for utilisation in the next Financial Year.

(4) The State Government may make advances to the Fund in order to meet a deficit or any part thereof and such advances shall be made on such terms and conditions, whether as to repayment or otherwise, as the Government may determine.

(5) The monies comprising the Fund shall be utilised or applied for:

- (a) financing construction, development, operation, maintenance, rehabilitation and up gradation of Bankable Projects;
- (b) meeting administrative and other expenses in relation to the functioning of the Board;
- (c) meeting any financial commitments or Subsidy envisaged under any Concession Agreement or any other agreement or arrangement for development of infrastructure in the State;

(6) Notwithstanding anything contained in this Act, the Board shall have the powers, to spend such sums as it thinks fit to cover administrative expenses and for the performance of its duties and functions and such sums shall be treated as expenditure payable out of the Fund of the Board.

CHAPTER V BANKABLE PROJECT IDENTIFICATION & IMPLEMENTATION

- Identification.** 21. For the identification of Infrastructure Projects that may be funded or financed, the Board may consider suggestions from State Government, Government Agencies, Specified Government Agencies or persons engaged in the business of developing or implementing of Infrastructure Projects.
- Detailed Project Report.** 22. (1) The Board may itself conduct or have conducted by one or more Committee, Consultants or any other person such preliminary investigations and feasibility study as are necessary to establish the viability of the Infrastructure Project and the Committee or the Consultants or any other person appointed by the Board for this purpose shall prepare and submit a Detailed Project Report to the Board in such form and containing such details as may be determined by the Board.
- (2) The Board shall review each Detailed Project Report to determine whether it has been prepared according to the Board's requirements. If the Board finds deficiencies it may direct the Consultants to present a revised Detailed Project Report within a prescribed period.
- Approved Detailed Project Report.** 23. (1) Detailed Project Report once approved by the Board shall be adopted and published by the Board as Approved Detailed Project Report. The Board shall provide a copy of the Approved Detailed Project Report to the concerned departments of the State Government and to the concerned Government Agency or the Specified Government Agency. The Board shall also publish the Approved Detailed Project Report on its website.
- (2) The Board shall determine on the basis of the Approved Detailed Project Report whether an Infrastructure Project is a Bankable Project or not and shall also take into consideration any comments offered by the concerned departments of the State Government or the concerned Government Agency or the Specified Government Agency.
- Implementation of Bankable Projects.** 24. (1) In deciding the mode and manner in which an identified Bankable Project is to be financed, the Board shall have regard to its own capabilities, offers available for collaboration by other Government Agencies and any Concession Agreement, or arrangement entered into by the State Government for this purpose with any person and form such special purpose vehicles, companies or entities on its own or as joint ventures as may be prescribed by the regulations.

(2) In inviting private sector participation, the Board shall follow a competitive bidding process which adheres to accepted norms of transparency and cost effectiveness and the Board shall frame the regulations to lay down the situations where competitive bidding method or other methods shall be followed. The Board may grant first right of refusal to the person developing the Bankable Project. However, such first right of refusal shall be granted only on the basis of an appropriate procedure, which adheres to accepted norms of transparency and cost effectiveness. The Board shall have the right to cancel any adopted process without citing any reason and initiate a fresh process.

(3) In considering a proposal for development of a Bankable Project by private sector participation, the Board shall ensure that any exclusive right for such project development conferred on such persons is limited to a specified period.

(4) In order to ensure implementation of a Bankable Project, developed under this Act, the Board may form such special purpose vehicles, companies or entities on its own or as joint ventures as are deemed necessary for this purpose.

(5) The Board shall ensure that any Concession Agreement or arrangement formulated by Board is in consonance with the nature and parameters given in Schedule II and contains all necessary covenants to take care of the risks associated with the concerned Bankable Project and that the Concession Agreement or arrangement shall strive for the optimum contractual structure with regard to the need to balance the risks of stakeholders, maximize efficiency and minimize costs as may be prescribed.

(6) The Concessionaire may, charge, recover and appropriate the User Charges for use of any facility or product or service related to or arising out of a Bankable Project, where such project is undertaken by the Concessionaire. The Board shall specify the mode and manner of determination and variation of User Charges.

(7) Once any Bankable Project has been finalized, or a Concession granted, the State Government and the Board shall ensure that they do not act in any manner, which results in material adverse impact on the viability of the Infrastructure Project or the Concession Agreement.

(8) In case the State Government, Government Agencies, or the Specified Government Agencies wishes to terminate any Concession, it shall take such action only in consultation with the Board or as per the guideline provided by the Board in this behalf:

Provided that where a Concession Agreement is terminated with or without the consent of the Concessionaire, the Concessionaire shall be entitled to such amount of compensation for such termination, as is specified in the Concession Agreement.

Fees.

25. The Board may charge such fee, for carrying out any of its duties and functions, as prescribed by regulations or in terms of any agreement or arrangement entered into by it.

CHAPTER VI ACCOUNTS, AUDIT AND REPORT

Accounts and Audits.

26. (1) The accounts of the Board shall be prepared and maintained in such form and in such manner as may be provided by the rules.

(2) The Board shall cause to be prepared for each Financial Year an annual statement of accounts in such form as may be provide by the rules.

(3) The accounts of the Board shall be audited by an auditor duly qualified to act as an auditor of Companies under Section 226 of the Companies Act, 1956. (1 of 1956)

(4) The auditor shall include in their report assessments relating to the achievement of the purpose of the Fund, compliance with the policies and procedures established by the Board, and the effectiveness of the management of the Fund.

(5) The auditor shall send copy of the report together with audited copy of accounts to the Board which shall, as soon as may be, after the receipt of the audit report forward the same to the State Government.

(6) The State Government shall cause the audit report together with audited copy of accounts to be laid before the State Legislature, as soon as may be, after the receipt of the same under sub-section (5).

(7) All expenses, costs and charges including fees payable to Auditors pursuant to this Section shall be paid out of the Fund in accordance with sub-section (5) of Section 20.

Reports

27. (1) The Board shall during each Financial Year prepare in such form and at such time as may be provided by regulations, an annual report giving a true and full account of its activities during the previous Financial Year and an account of the activities likely to be undertaken by it in current Financial Year and copies of such report shall be forwarded to the State Government.

(2) The State Government shall cause every such report to be laid before the State Legislature, as soon as may be, after the receipt of the report under sub-section (1).

CHAPTER VII MISCELLANEOUS
